(Inspectah Deck & 7L & Esoteric)	First Weapon Drawn: A Narrated Adventure	The first weapon drawn in a conflict is language, but the first weapon drawn for Czarface is the music. Wu-Tang Clan's Inspectah Deck & Esoteric carved a niche for Czarface with venomous vocals, but the musical production is their super power.
999	LIVE & LOUD (LIM. 180 GR. YELLOW VINYL)	999 kicked off in 1977 with I'm Alive and Nasty, Nasty, two notoriously riotous singles that would establish them alongside a handful of others in the shadow of the Pistols, Clash and The Damned. Nick Cash and Guy Days had unknowingly already made it into the history books, but there was much more to come in Homicide, Me and My Desire, Emergency and Biggest Prize In Sport. The live recordings within are assured reminders of a vitally important British punk band in their early prime with explosive versions of tracks from their first three albums from 1978-1979. Singles such as Feelin' Alright With The Crew and Hollywood clash perfectly with selected album tracks that collectively recall a halcyon period for British youth culture and its soundtrack.
ABAY	Conversions Vol.1	(Goldene 10" + CD) ABAY, die gemeinsame Band von Ex-Blackmail-Sänger Aydo Abay und Jonas Pftzing (Juli) schaffen es meisterhaft, ihren Trademark-Sound auch durch Coverversionen von The xx, Massive Attack, Thrice und sogar Abba und Scooter schimmern zu lassen. ☑

Alice in Chains	B-Sides	Diese ganz besondere 45er-Doppel-7"-Single versammelt vier gemasterte Tracks der Grunge-Heroen von Alice in Chains, die noch nie auf Vinyl erhältlich waren. "What the Hell Have I" und "A Little Bitter" wurden 1993 auf dem Soundtrack zu Arnold Schwarzeneggers Last Action Hero veröffentlicht. Auf diesen Songs war erstmals der neue Bassist Mike Inez zu hören, der vorher fünf Jahre in Ozzy Osbournes Band gespielt hatte. Die Titel "Get Born Again" und "Died", veröffentlicht 1999 auf dem Boxset Music Bank, waren die letzten Aufnahmen mit Layne Staley, dem Sänger der Ur-Besetzung.

Interpret	Titel	Info
BOLAN, MARC & T.REX	LIVE 1977 - 40 ANNIV. EDITON (GTF. GREEN 2VINYL)	<p>A live Marc Bolan and T.Rex album was never released during Marc's lifetime. He claimed that he felt it unfair to expect fans to buy the same material more than once, and a multitude of contractual problems also kept his hands tied. This has often been due to the quality of the source tapes – a problem that has been largely unavoidable. For this first release on vinyl the sound has been cleaned up as far as is possible without altering what was recorded.</p> <p>The 1977 'Dandy In The Underworld' tour, which featured The Damned as the support, was Marc Bolan's most successful since 1972, receiving widespread acclaim from previously hostile critics, and earning Bolan a whole new credibility amongst the burgeoning punk audience. It is from this final tour that these recordings are taken.</p> <p>On 18th March 1977, Marc Bolan and the latest incarnation of T.Rex brought their successful Spring tour to the Rainbow Theatre in north London. As the band crashed out the opening bars to Jeepster, few in the packed auditorium could have known that Bolan's wheel had come full circle. As a boy in the 1950s he had visited this same building – used then as a cinema, the Finsbury Park Astoria – in the company of his older brother Harry Feld to see Jailhouse Rock.</p> <p>Despite extensive research over many years, a tape of the final three songs from The Rainbow has remained elusive. In order to present as complete a document of the final T.Rex tour as is possible, we have used recordings of the three missing Rainbow songs from the last date of the "Dandy In The Underworld" tour, Portsmouth Locarno on 20th March 1977. Whilst the Locarno tape suffers several faults, the songs included here feature the historic final UK performance of "Get It On" with T.Rex joined on stage by The Damned.</p>

CHEAP TRICK	EPIC ARCHIVE 1	<p>If a group's made up of two genuine rock star types, a Huntz Hall lookalike with a guitar fetish, and a guy who looks like an accountant, which one d'ya think would keep track of its recording archive? Don't worry, it's not a "trick" question—it is indeed the bespectacled Bun E. Carlos, the drummer for the original line-up of Cheap Trick, who has not only commented on every track (as faithfully transcribed by Ken Sharp) but provided much of the source material for this collection of rarities from the band's early days, 18 tracks (all making their vinyl debut) that reconfirm that the singular blend of classic rock, power pop, and glam—and inspired visual style—wielded by this outfit of Rockford, Illinois places them among the first rank of American rock 'n' roll bands. First up are three 1975 demos (of "Come On, Come On," "Southern Girls," and "Taxman, Mr. Thief") they cut at Ardent Studios in 1975 prior to signing a record deal, followed by early, 1976-1977 studio takes (produced by Jack Douglas) of "You're All Talk" and "I Want You to Want Me," an outtake, "Lookout," from their debut record, and an alternate (and nasty) version of "I Dig Go-Go Girls." On deck are an instrumental version of "Oh Boy" (the B-side to "I Want You to Want Me") and live versions of "You're All Talk" and "Goodnight" from a 1977 stand at the Whiskey, and a pair of alternate takes from the Heaven Tonight album, "Stiff Competition" and "Surrender." Also inside are five rarities from the band's famed Japanese tours, including the single version of "Ain't That a Shame," the promo-only release "Lookout," and three tracks from the out-of-print Budokan II album, "Stiff Competition," "How Are You," and "On Top of the World." The "no strings" version of "Dream Police" rounds out the collection in fine style. Compiled by producer Tim Smith, remastered by Vic Anesini at Battery Studios in New York, and featuring unseen photos by Robert Alford inside and outside the gatefold jacket, this special Record Store Day exclusive double-LP comes in bright yellow vinyl limited to 2200 copies! But wait...we have one more "trick" up our sleeve. A photo signed by all four founding Cheap Trick members Bun E. Carlos, Rick Nielsen, Tom Petersson, and Robin Zander has been randomly inserted inside 100 out of the 2200 copies manufactured...we at Real Gone Music wish all RSD customers the best of luck!</p>

COMMANDER CODY	Claiming New Territories-Live At The Aladin	<p>COMMANDER CODY alias George Frayne IV ließ sich viel Zeit, bevor er über den großen Teich flog und zum ersten Mal auf einer deutschen Konzertbühne stand. Ganze zehn Jahre war der ehemalige Kunststudent schon dick im Geschäft (anfängs noch als COMMANDER CODY &amp; HIS LOST PLANET AIRMEN), als er am 27. März 1980 mit der COMMANDER CODY BAND die Bühne des Bremer Musiktempels "Aladin" betrat, um mit seinen Fans dieses Debüt zu zelebrieren.</p> <p>Mit ihrer eigenwilligen Mixtur aus Country, Rock'n'Roll, Western Swing und Rockabilly brachten George Frayne sein langjähriger Begleiter Bill Kirchen und der Rest der famos eingespielten Crew schnell den Saal zum Kochen. So entstand eine prickelnde Live-Atmosphäre mit Partycharakter, die sich schnell auf den Hörer überträgt. Die Scheibe bringt einfach richtig Spaß und macht gute Laune.</p> <p>Dank an die Jungs von Radio Bremen, die vor fast genau 37 Jahren die Weitsicht hatten, diesen historischen Moment in toller Tonqualität für die Nachwelt festzuhalten.</p> <ul style="list-style-type: none"> <li>• 180-Gramm Vinyl!</li> <li>• exklusiv für den Record Store Day 2017 im April 2017             <ul style="list-style-type: none"> <li>• strictly limited to 1.000 copies worldwide</li> </ul> </li> <li>• allererstes Live-Konzert des Commanders in Deutschland im legendären "Aladin" in Bremen 1980             <ul style="list-style-type: none"> <li>• <a href="https://soundcloud.com/m-i-g-music-germany/sets/commander-cody-claiming-new-territories-live-at-the-aladin-1980/s-pursF">https://soundcloud.com/m-i-g-music-germany/sets/commander-cody-claiming-new-territories-live-at-the-aladin-1980/s-pursF</a></li> </ul> </li> </ul>

Creation Rebel	Starship Africa	Erster Reissue des On-U-Sound-Klassikers von 1980. Der junge Adrian Sherwood aka Creation Rebel "bearbeitet" ein Tape mit älteren Reggae-Rhythmen durch Remixes, Re-Recordings, Overdubs und Rückwärtsläufe.
CREATION,THE	POWER SURGE (PURPLE VINYL)	<p>Alan McGee was such a big fan of The Creation that he named his record label after the band, and named his own band after one of their songs – Biff Bang Pow. The Creation was formed in 1966 from beat combo The Mark Four, and was quickly signed to a production deal with Shel Talmy, The Who’s producer. The first release was the urgent “Making Time”, which featured guitarist Eddie Phillips playing his guitar with a violin bow, two years before Jimmy Page started doing so. Whilst very popular in Germany, UK success largely eluded the band, and after a number of non-charting singles and line-up changes, the band broke up in 1968 without ever having released an album.</p> <p>In 1995, following a reunion concert at Harlesden’s Mean Fiddler, Alan McGee and Joe Foster managed to persuade the original line-up of Eddie Phillips, lead singer Kenny Pickett, bassist Bob Garner and drummer Jack Jones to get into a studio and record a new album, for release on Creation Records! The results were issued in 1996, with a very limited release on vinyl. Sadly the reunion was cut short by Kenny Pickett’s death from a heart attack in 1997.</p> <p>This limited edition reissue is pressed on purple vinyl, and features the original inner sleeve.</p>

Serendipitously, Quantic, one of Nicola’s inspirations, answered the call in his signature way with a bass-heavy, jazzy and psychedelic display of genius that will move any dance-floor that thrives on Global beats.</p> <p>limited edition 180g 12” vinyl - the b-side lovingly etched with original artwork.</p> <p style="text-align: center;">TRACKLISTING: A1. PUENTE ROTO A2. PUNETE ROTO (QUANTIC REMIX)</p>

DUBKASM	Brixton Rec	<p>Rare Aufnahmen aus den neunziger Jahren von den britischen Dub- / Reggae-Pionieren DUBKASM feat. ABA SHANTI, TENA STELIN, LIDI XYLON und RAS ADDIS. „Brixton Rec“ erscheint als exklusiver RSD-Rerelease im streng limitierten, grünfarbigen 8-Track-Vinyl-Format (500 Exemplare weltweit) auf BRISTOL ARCHIVE.</p> <p>Internationale Bekanntheit erlangte das britische Dub- / Reggae-Duo DUBKASM mit seinen Produktionen auf dem künstlereigenen Label SUFFERAH'S CHOICE, das die beiden Masterminds DIGISTEP und DJ STRYDER seit 2003 höchst erfolgreich betreiben.</p> <p>Dass die aus Bristol stammenden Soundspezialisten bereits in den frühen neunziger Jahren zu den kreativsten Protagonisten der UK-Szene zählten, belegt die nun auf BRISTOL ARCHIVE erscheinende Compilation mit bislang unveröffentlichten Frühwerken des Duos, die seit ihrer Einspielung lediglich im Dubplate-Format existierten. Seinerzeit in den „Bristol-Rec“-Studios als exklusive Riddims für das Soundsystem von DJ und Szenegröße ABA SHANTI produziert zeigen diese Aufnahmen, wie zeitlos und visionär ihre soundtechnisch brillanten, hypnotisch groovenden Exkursionen zwischen (Roots-) Reggae und Dub bis heute geblieben sind. So gibt es neben vier Vocal-Tracks auf denen TENA STELIN („The Soul“, „Spiritual Warrior“), LIDI XYLON („The Order“) oder RAS ADDIS („Jah Bible“) das Mikro übernehmen, zudem jeweils eine analoge Dub-Version.</p>

EVANS, BILL	ANOTHER TIME	<p>'Another Time: The Hilversum Concert' is a rare, never-before-issued recording of the legendary Bill Evans trio featuring Eddie Gomez on bass and Jack DeJohnette on drums captured live at the NRU (Netherlands Radio Union) Studios in Hilversum on June 22, 1968.</p> <p>This is only the third known recording in existence of this particular trio, who only performed together as a trio for a 6-month period in 1968, and was originally recorded and broadcast on the radio program Jazz in Actie by Dutch producer Joop de Roo. For the audiophile, this is possibly the best sounding live recording of Bill Evans found to date, captured with the then state of the art equipment of the NRU, and kept in pristine condition over the years. On the heels of 2016's landmark Evans discovery, Some Other Time: The Lost Session from the Black Forest, which was recorded a mere two days prior to this Hilversum date in 1968, Resonance has struck gold again with yet another unearthed gem from the iconic pianist Bill Evans. This deluxe LP is being officially released in conjunction with the Bill Evans estate and the musicians, and features rare photos, essays by Dutch jazz journalist Bert Vuijsje, producer Zev Feldman, plus interviews with Eddie Gomez, Jack DeJohnette and more!</p>

FAITHFULL, MARIANNE	RICH KID BLUES (SILVER VINYL)	<p>Produced by Mike Leander, who had produced and arranged much of Faithfull's Decca material, "Rich Kid Blues" is an intriguing album of spare, largely acoustic readings of folk / rock songs, including several Bob Dylan covers, as well as songs by Phil Ochs, George Harrison, Cat Stevens, Tim Hardin, James Taylor and Sandy Denny.</p> <p>Marianne Faithfull had this to say about the 1971 recordings: "The record itself is very strange and ghostly. It's the voice of somebody incredibly high, probably on the edge of death. They always sound like that. Johnny Thunders sounds like that. Anybody who heard that record would have said, 'Well that's that. We'll never hear from her again'."</p> <p>Issued on vinyl for the first time since 1985, our Record Store Day 2017 edition is pressed on silver coloured vinyl.</p>

FOLEY, BLAZE	Sittin' By The Road	<p>Das Album „Sittin' By The Road“ vom außergewöhnlichen Folk-Musiker BLAZE FOLEY wird am Record Store Day im streng limitierten 180gr-Vinyl erscheinen. Es beinhaltet die frühesten bekannten Aufnahmen von BLAZE, welche dieser in den späten 70ern auf einem Tonbandgerät aufgenommen hat und zeigt sein authentisches Talent als Songwriter. Die limitierte RSD-Edition beinhaltet ebenfalls detaillierte Liner Notes vom Regisseur des BLAZE FOLEY-Dokumentarfilms, KEVIN TRIPLETT. FOLEY wurde in Arkansas geboren und weit vor seiner Zeit, unter weitgehend unbekanntem Umständen erschossen. Als Obdachloser ist er durch die Straßen von Texas gereist und hat seine Musik in Nachtclubs und Bars gespielt. FOLEY, ein enger Freund von TOWNES VAN ZANDT, hat sich stets für die Schwachen stark gemacht, welches ihn letztendlich sein Leben gekostet hat. Nach einem Leben voller Ablehnung und verpasster Gelegenheiten erhält seine Musik nun endlich die Anerkennung, welche sie verdient hat. 2008 wurde seine Biographie „Living In The Woods In A Tree“ veröffentlicht, gefolgt von KEVIN TRIPLETT's Dokumentation „Duct Tape Messiah“. Das deutsche Independent Label ELITERECORDS wird nun endlich nach der schleppenden Bekanntgabe von FOLEYS unveröffentlichten Aufnahmen diese wunderschön gefertigte limitierte RSD-Edition herausgeben. Die 12 Songs, mit Hits wie „Clay Pigeons“ und „If I Could Only Fly“ - später gecovered von WILLIE NELSON und MERLE HAGGARD - sind ein perfektes Beispiel für FOLEY's Sound, welcher zwischen klassischem American Country und modernem Folk liegt, und seinen raffinierten politischen Texten, welche beide einen schlagkräftigen sowie emotionalen Ton besitzen. In der heutigen Zeit wird FOLEY nicht nur von führenden amerikanischen Folk-Musikern, wie NELSON, HAGGARD oder PRINE geschätzt, sondern auch von Independent-Musikern wie KINGS OF LEON-Sänger CALEB FOLLOWILL. Letzterer hat, in einem Interview mit den L.A. Times von 2010, behauptet, dass BLAZE FOLEY's Songs momentan seine wichtigste musikalische Inspiration sei.</p>

FRANKLIN, ADAM	Iron Horse/Thursday's Child	<p>ADAM FRANKLIN (SWERVEDRIVER) covert DAVID BOWIE und LEMMY KILMISTER / MOTÖRHEAD. Die streng limitierte Doppel-A-Seiten-Single (500 Exemplare weltweit) erscheint als transparent-blaufarbige Edition mit grünen Einsprengseln. Mit seiner 1989 in Oxford gegründeten Band SWERVEDRIVER avancierte Sänger und Gitarrist ADAM FRANKLIN zu einer der angesagtesten Shoegaze / Alternative-Rock-Formationen seiner britischen Heimat. So gelang der bis heute (mit einer Unterbrechung zwischen 1998 und 2008 ) aktiven Band bereits mit ihrem Albumdebüt "Raise" (1991) ein glänzender Chart-Entry, dem bis dato neben - zahlreichen Singleveröffentlichungen - noch vier weitere Alben nachfolgen sollten. Jetzt wartet der Band-Mastermind zum diesjährigen RSD mit einer Hommage an die beiden letztjährig kurz hintereinander verstorbenen Musiklegenden DAVID BOWIE und LEMMY KILMISTER auf. So findet sich hierauf neben dem MOTÖRHEAD-Klassiker "Iron Horse/Born To Lose" (von deren 77er Albumdebüt) zudem mit "Thursday's Child"(1999) ein relativ später BOWIE-Hit, die beide eine kongeniale Neuinterpretation von ADAM FRANKLIN erhalten.</p>

Hendrix, Jimi	Live at George's Club	<p>Live At George's Club 20 versammelt Amateur-Live-Mitschnitte von Jimi Hendrix' Performances, die der unsterbliche Gitarrenheld mit Curtis Knight im Dezember 1965 und im Januar 1966 ablieferte.</p> <p>Nur wenige Monate nach Entstehung dieser Aufnahmen wurde Jimi vom Animals-Bassisten Chas Chandler im Greenwich Village entdeckt. Anhand der ungeschliffenen Blues- und Soul-Nummern lässt sich nacherleben, welcher Sound Chandler entgegenschlug, als er Hendrix im Café Wha? zum ersten Mal zu Gesicht bekam. Zwar handelt es sich bei den Songs, die auf Live At George's Club 20 zu hören sind (Cover-Versionen von Muddy Waters, Jimmy Reed, Ray Charles u.a.), um frühe Aufnahmen, aber die Fans werden den Gesang und das Gitarrenspiel ihres Idols sofort wiedererkennen. Die Tracks wurden in den USA nie offiziell veröffentlicht. Nun erscheinen die Original-Aufnahmen als Doppel-LP auf Dagger Records, dem offiziellen, von Jimi gegründeten Bootleg-Label. Sie wurden von Eddie Kramer restauriert, der dabei ganz auf Overdubs oder technische Spielereien verzichtete, die bei früheren, nicht genehmigten Veröffentlichungen der Titel zum Einsatz kamen.</p>

MADRIGAL	Madrigal	<p>Legendäres Release einer fast vergessenen Band, welches in Insiderkreisen Höchstpreise erzielt. „Madrigal“ ist endlich wieder erhältlich via SUBLIMINAL SOUNDS.</p> <p>Das schwedische Label SUBLIMINAL SOUNDS ist ein Garant, wenn es um großartige aktuelle Psychedelic Bands (z.B. DUNGEN) geht, immer wieder präsentiert das Label aber auch alte, lange vergriffene Alben als Neuauflagen. So auch hier: MADRIGAL waren eine Legende im New Yorker Underground der frühen 70er Jahre. Das Duo nahm dieses Album wahrscheinlich in einer Art Heizungsraum in besten DIY-Manier auf.</p> <p style="text-align: center;">Ausgestattet mit nur einer Drummachine, einer E-Gitarre, einem Bass und verschiedenen Oszillatoren, erschaffen die zwei Künstler hier eine dichte, fast bedrohlich wirkende Atmosphäre.</p> <p>Die insgesamt acht Songs bewegen sich zwischen dröhnenden Psychedelica und düsterem Folk-Rock. MADRIGAL galten damals als Pioniere, und es werden immer wieder Parallelen zu SUICIDE (mit ALAN VEGA), den PATRON SAINTS oder auch in Ansätzen zu THE VELVET UNDERGROUND gezogen. Originale dieses Releases werden in Liebhaberkreisen in hohen vierstelligen Beträgen gehandelt. Diese Version enthält eine 12-seitige Bookletbeigabe mit vielen unveröffentlichten Bildern sowie einem tollen Interview mit der Band.</p>

MEYVANT, JUNIUS	Floating Harmonies	<p>Exklusive RSD-Deluxe-Edition des großartigen Albumdebüts des isländischen Shootingstars JUNIUS MEYVANT mit einem fulminanten Mix aus Pop, Soul und Folk. „Floating Harmonies“ streng limitierte, goldfarbene Doppel-Vinyl-Edition inklusive zwei bislang unveröffentlicher Bonustracks (500 Exemplare weltweit) auf RECORD RECORDS.</p> <p>Bereits mit seiner großartigen im Sommer 2014 erschienenen Single „Color Decay“ gelang es dem aus dem isländischen Reykjavik stammenden Singer / Songwriter JUNIUS MEYVANT (aka UNNAR GISLI SIGURMUNDSSON), sich aus dem Stand an die Spitze der heimatischen Charts zu katapultieren. Damit nicht genug, erhielt der charismatische Musiker, der 2015 (s)eine gleichnamige EP nachfolgen ließ, bei den Iceland Music Awards (I.M.A.) eine Auszeichnung als bester Newcomer (und Sänger) sowie für den besten Song. Seitdem tourte der vielbeschäftigte Künstler fast ununterbrochen (und höchst erfolgreich) durch ganz Europa und arbeitete an seinem neuen Songmaterial. Vielmehr schöpfte der begnadete Komponist und Sänger dabei seine Inspiration aus dem reichhaltigen Fundus der amerikanischen Popmusik der 60er und 70er-Jahre.</p> <p>So überzeugt er auf „Floating Harmonies“ mit interpretatorischer Leidenschaft, raffiniert ausgefeilten Streicher- und Bläser Arrangements sowie einem untrüglichen Gespür für samtig anschmiegsame Harmonien zwischen Indie, Pop, Folk und Soul.</p>

OLLI SCHULZ & DER HUND MARIE	Ausflug Mit Razzia	<p>Clear-Vinyl-Nachpressung der lange ausverkauften und gesuchten 4-Song-7"-EP von OLLI SCHULZ &amp; DER HUND MARIE mit vier Coverversionen der Hamburger Punklegende RAZZIA (2008) auf AUDIOLITH.</p> <p>Lange bevor OLLI SCHULZ als sympathischer und vor allem unkonventioneller TV-Entertainer einem Massenpublikum bekannt wurde, ist er schon als Musiker aktiv, das erste seiner bislang sechs Studioalben erschien bereits 2003, in der Bandbesetzung OLLI SCHULZ &amp; DER HUND MARIE mit den TOMTE-Musikern MAX SCHRÖDER (Schlagzeug) und DENNIS BECKER (Bass) gehörte er zum Künstlerstamm von GRAND HOTEL VAN CLEEF, bevor seine weiteren Soloalben bei EMI, COLUMBIA und TROCADERO erschienen. Zwischen Singer-Songwriter und Indie Rock wusste SCHULZ Fans und Kritiker gleichermaßen zu begeistern, insbesondere sein großes Talent als charmanter Alleinunterhalter und der oftmals durchscheinende Bezug zu seinen Punkrock-Wurzeln wurden zum Markenzeichen. Die original im März 2008 erschienene EP „Ausflug Mit Razzia“ ist eine zärtliche Hommage an eine der besten und eigenwilligsten deutschen Punkbands überhaupt, OS &amp; DHM präsentieren die Songs „Kaiserwetter“, „Sentimentaler Zusammenbruch“, „Als Haus Wärst Du `Ne Hütte“ und „Nacht Im Ghetto“ im lakonisch-akustischen Indie / Folk / Country-Gewand. Erstaunlich, wie die düstere Grundstimmung der RAZZIA-Klassiker dabei gekonnt weiterentwickelt wird. Produziert von NIKOLAI POTTHOFF (MUFF POTTER, TOMTE). 7"-Single (Clear Vinyl) im farbigen Kartoncover, limitiert auf 400 Exemplare weltweit.</p> <p>Razzia waren eine Punkband aus Hamburg. Irgendwann haben wir festgestellt, dass wir unabhängig voneinander mit ihren Platten aufgewachsen sind. Ihre Texte und ihre Musik haben sich etwas Geheimnisvolles bewahrt und stehen bis heute ziemlich alleine in einer seltsamen Ecke der Musikgeschichte. Das hier sind unsere Interpretationen von vier Liedern dieser besonderen Band. Gute</p>

SLAUGHTER & THE DOGS	CRANKED UP REALLY HIGH (LIM. 180 GR. BLUE VINYL)	<p>Slaughter &amp; the Dogs were one of the first punk rock bands on the English scene in 1976, hailing from the notoriously tough Manchester suburb of Wythenshawe (once the skinhead capital of the North). Although never fully embraced by the punk fashionistas down in London, The Dogs embodied the British sound more than anyone knew it. Hauled around London by Malcolm McLaren, they personified the true urban instincts of rock 'n' roll with a homage to Mick Ronson, The Sweet, New York Dolls and Lou Reed in venues such as The Roxy, Nashville and The Vortex.</p> <p>Interference proudly presents the cutting edge of British punk with what is arguably, the first ever punk rock recordings made in England in 1976. Coupled with outtakes, demos, live tracks and their rare 1977 debut.</p>

The Sweet	Fox on the Run	<p>Ein Phänomen wie dieses gibt es nur sehr selten. Meistens bleibt ein Song, wenn er zum Hit wird in der Generation, die auch seine Erstveröffentlichung, den Aufstieg und schließlich auch den Fall aus den Hitlisten miterlebt hat und wird von diesen dann streng behütet im Herzen getragen, aber in der kleinen Ecke mit dem Schild „Nostalgie“ abgelegt, die keine andere Generation je betreten darf. Nur wenige Songs, klar, jeder kennt sie, einige von Künstlern wie den Rolling Stones, Beatles, Queen oder David Bowie widersetzen sich dieser Nostalgie und sind über Generationen hinweg beliebt. Wahrscheinlich sind es nur so wenige, weil es einfach uncool ist, dieselbe Musik zu mögen, die schon die Eltern geliebt haben.</p> <p>“Fox On The Run” ist allerdings einer dieser wenigen Diamanten. Es ist einfach egal ob der Song älter oder grad frisch rausgekommen ist. Ein großartiger Song in jedem Fall und alle Generationen, die den Song hören scheinen da gleich zu fühlen. Kein Wunder, der „der Fuchs“ sich grad wieder anschickt die Charts erneut zu erobern, wo er von Hollywood wiederentdeckt wurde. Der 1975er Super-Hit der Band Sweet wurde jüngst im Trailer zum 2017 kommenden Kino-Hit “Guardians Of The Galaxy 2” integriert und millionenfach geklickt. Unzählige Action-Fantasy-Fans die bisher nie von einer Band namens Sweet gehört haben, durchsuchen plötzlich das Internet nach dem irren Sound aus dem Trailer.</p> <p style="text-align: center;">Jungs &amp; Mädchen, darf ich vorstellen: “Fox On The Run” in voller Lautstärke. Ihr werdet es lieben!</p>

TURTLES, THE	THE ALBUMS COLLECTION (6LP BOX-SET)	<p>The Turtles enjoyed eighteen US hit singles between 1965 and 1970, three of which ("Happy Together", "She'd Rather Be With Me" and "Elenore") were also huge hits in the UK.</p> <p>Demon Records is proud to present the band's six albums in their original sleeves (including two gatefolds), in a rigid slipcase. With sources newly re-mastered by Bill Inglot in LA, this is the first time these classic albums have been issued on vinyl since 1983! As well as the above three songs, the early hits include "It Ain't Me Babe", "Let Me Be", "You Baby", "Can I Get To Know You Better?", "You Know What I Mean", "She's My Girl", "Sound Asleep" and "The Story Of Rock And Roll".</p> <p>Produced by the Monkees' producer Chip Douglas, 'The Battle Of The Bands' (1968) features "Elenore" and saw the band assume a different musical persona for each track (or band, to use the American term). The gatefold sleeve, issued for the first time in the UK, features photos of the different bands. The album also features Turtles' hit cover of the Roger McGuinn/Gene Clark song "You Showed Me", sampled by U2 and De La Soul, and sampled and covered by the Lightning Seeds in 1997. "I'm Chief Kamanawanalea (We're The Royal Macadamia Nuts)" has been sampled over sixty times. 'Turtle Soup' (1969) was produced by Ray Davies, the only production job outside The Kinks and solo work that he ever undertook. Following the dissolution of the band, Mark Volman and Howard Kaylan re-named themselves Flo &amp; Eddie, and joined Frank Zappa's Mothers Of Invention for five albums, as well as recording five Flo &amp; Eddie albums. They also found time to contribute the distinctive falsetto background vocals to the T. Rex albums "Electric Warrior" and "The Slider".</p>
U.K. SUBS	LIVE 'N' LOUD 89 (LIM. 180 GR. They remain one of Britain's best-loved punk bands among ordinary fans and have long outlasted most of their punk peers. In 2010, they won 6Music's audience-voted "punk rock FA Cup", comfortably seeing off the Sex Pistols, the Clash, the Buzzcocks, the Ramones and the Damned.</p> <p>Interference proudly presents the U.K. SUBS live, loud and in your face from Paris. VARIOUS ARTISTS	THE MAGIC CUBE (LIM. LILAC 10 INCH VINYL)	<p>One of the earliest psychedelic compilations and probably the strangest is The Magic Cube, which appeared inexplicably in 1982 in hip record emporiums around the world. A limited edition 9" flexi disc housed in a card envelope. When it was opened it unleashed a pop up psychedelic cardboard cube emerged to mystify and confuse. Purportedly the product of the same deranged collector mind who gave the world the first Acid Dreams compilation, Magic Cube certainly contained some killer US 60s garage psych punk, not least the stupendously rare Children of the Mushroom's You Can't Erase a Mirror and The Bedlam Four's crazed 'Hydrogen Atom' as well as The Front Page News fuzz fest 'Thoughts' and six other US '60s acid punk psych diadems.</p> <p>Now reissued in the original but improved packaging and pressed on 10" soft lilac vinyl the Magic Cube awaits once again to pop up and plunge into your fragile eggshell mind. Taste the cube this coming record store day...</p> <p>"By 1984, I was awash with these compilations and had racked up eighty-five of the suckers before I screamed 'Enuff!
